

**SUSSEX COUNTY AMATEUR SWIMMING ASSOCIATION.**  
Affiliated to ASA South East Region.

PROGRAMME for the SUSSEX NOVICES COMPETITION under A.S.A. Laws and ASA Technical Rules to be held at K2, Crawley on Thursday 29th September 2011 starting at 7.30pm. Practice from 7pm.

Officials-: Mesdames H. Brame, E. Fairs and B. McAdam assisted by D. Rosen.

This Development event supported by Sussex C. ASA, is intended to help divers prepare themselves for the annual Regional competition, Skills Level 2, in February or March 2012. This will in turn select divers whose scores are suitable to enter the ASA National event a few weeks later.

The dives are from the bathside and springboards showing the skills and strength the competitor can show when performing them. This would be height gained from the takeoff, the entry, and the ability to show how flexible and how daring they are.

Normally, there are twelve skills required to be performed by four age groups, 8/9, 10/11, 12/13 and 14/16.

This event will only require seven dives to be performed and in one age group as it is a preparation event.
