

Worthing Swimming Club Press Release 07/07/2013:

“Worthing sea swim pulled off without a hitch”

=====

Having suffered weather problems over the last few years, we were indeed blessed with a fantastic day for the sea swim. The sun was shining brightly, little wind and the sea was almost calm, a good day for the event, for a change.

Sixteen competitors assembled at the Beach Office by The Lido and after a safety briefing and explanation of the event by the referee, the ladies started first, followed by the men a few minutes later. Our starter was President John Dommen, in the absence of the Mayor, who was performing other duties.

The event went without a hitch, the swim being enjoyed by all who took part. We had two new winners of the event this year, Michelle Hepworth and Joe Hazeldine, well done to them and all the others for taking part and making this a great event this year.
